

## Strategic Exit Advisors Once Again Among the Philadelphia100®

Strategic Exit Advisors (SEA) is proud to announce that we have been named among the top fastest-growing Philadelphia100® companies for the second year in a row. This year, SEA was named #9, climbing the list from #28 in 2020.

The Philadelphia 100® is run by the Entrepreneurs' Forum of Greater Philadelphia and honors the 100 fastest-growing, privately held entrepreneurial companies in the Greater Philadelphia Region.

Winners were announced on September 30th at the Philadelphia100® CEO Breakfast, which took place at Lincoln Financial Field, and the top 100 rankings were unveiled on October 21st at the Live! Casino & Hotel Philadelphia.

Curt Cyliax, Managing Director of SEA, says, "It is an honor to be once again among so many impressive companies. This year's list includes such a diverse group of businesses across a wide range of industries. Each awardee should be proud of this accomplishment, especially in light of what we all dealt with in 2020. On behalf of the entire SEA team, I congratulate them and wish continued success to all. Lastly, we thank the Entrepreneurs' Forum of Greater Philadelphia for again including us."

About Philadelphia100®: What started as an idea to bring recognition to the region has emerged as a new standard – a standard of excellence. The Philadelphia100® is a merit-based program. Only companies that are among the fastest-growing, privately held companies are awarded the Philadelphia100® designation. The integrity of the process and the resulting list make the Philadelphia100® one of the most sought awards in the region.
